COVID Safety Plan

Please use the following form to document your plan for how your staff and patrons will be kept safe during the COVID-19 pandemic.

Premises name: **Iluka Sports Ground**

has a maximum capacity of Number: **300** patrons and agrees to the following Phase 3 safety requirements:

- | | |
|--|---|
| <input checked="" type="checkbox"/> A strict limit of a minimum of 2sqm per person | <input checked="" type="checkbox"/> Frequent cleaning and disinfection |
| <input checked="" type="checkbox"/> Comply with patron limit | <input checked="" type="checkbox"/> Carefully manage shared spaces to ensure physical distancing |
| <input checked="" type="checkbox"/> Clean shared equipment between each use | <input checked="" type="checkbox"/> Maintain records of patrons for the purposes of contact tracing |

- 1 Refer to the COVID Safety Guidelines: Sport and Recreation for information on the expectations for COVID Safety Plans, including the application of the patron limit, and to assist you in completing this plan. These are available at [wa.gov.au](https://www.wa.gov.au)
- 2 Discuss and share relevant details of your plan with staff, contractors and suppliers so everyone is aware of what to do and what to expect.
- 3 The COVID-19 pandemic is an evolving situation – review your plan regularly and make changes as required.
- 4 Print and display the **COVID Safety Plan Certificate** available at the end of this form.

**We're all
in this
together.**

Premises details

Premises name:	Iluka Sports Ground	Prepared by:	Caran Danskin
Type of premises:	outdoor area	Position title:	Committee member
Street address:	Miami Beach Promenade, 	Completion date:	05/06/2020
Contact no:		Revision date:	05/07/2020
Email:	caran@jcfc.com.au		

* For the sections below, please complete the form and attach additional pages or information as required.

1. Physical distancing

• What will be done to implement physical distancing guidelines?

Consider: physical distancing for staff and patrons; occupancy limits based on 2sqm requirements; management of waiting areas etc.

Joondalup City FC will have 3 zones, with 100 patrons per zone and will maintain 2 sqm per patron ensuring there is 1.5 metres of separation between people who are not from the same household or groups of people as per the WA government guidelines. A patron will include players, parents, spectators and children attending the venue, it will not include coaches and committee members. Changing rooms will remain closed, toilet facilities will be open. There will be increased cleaning of the toilet facilities. The common entrance and exit area will have clear signs and be monitored by a ground marshal on game days. If the kit shop is open there will be clear signage allowing 1.5 metres distance for anyone queueing.

We will be adopting the 'get in, train or play, get out' philosophy

2. Hygiene

• How will you ensure required hygiene standards are maintained?

Consider: hygiene protocols and practices; supply of cleaning and sanitiser products etc.

Good hand hygiene will be encouraged and hand sanitiser will be available at the common entrance to the ground via the car park. Spitting and clearing of nasal secretions on the oval is discouraged. Water bottles, towels, bibs should not be shared. Training equipment can now be shared but must be cleaned between sessions. Signs will be visible ensuring patrons do not enter if unwell, maintain social distancing and avoid crowding together. All common 'high touch' areas will be cleaned with disinfect/ antibacterial wipes. Cashless payment is preferred at the kit shop.

3. Training and education

- How will you ensure all your workers know how to keep themselves and others safe from exposure to COVID-19?

Consider: staff training; records of training; additional education; signage; guidance material etc.

All JCFC committee members have been encouraged to complete the Infection Prevention online learning. Exposure safety has been discussed at committee meetings. This document will be emailed to all coaches and managers.

4. Compliance

- I am aware that in addition to the legal obligations arising from the Emergency Management Act 2005 and the Directions made under that Act, I must continue to comply with relevant existing legislation and regulations, including WorkSafe legislation.

Yes ☒ No ☐

Comments:

5. Response planning

- How will you respond to an exposure or suspected exposure to COVID-19 within your premises?

Consider: records of patrons; cleaning procedures; referrals to relevant authorities; regular review of procedures etc.

JCFC has asked all coaches to maintain a record of attendance at training / games including parents and spectators. JCFC will maintain a record of all spectators attending on game days, visiting clubs should also bring records of patrons. If a case or suspected case of COVID-19 is identified at our club then we will call the COVID hotline: 1800 020 080 and follow their advice. If there is someone displaying symptoms, we will keep them away from others, call 000 if life threatening, talk to them to determine risk, ensure they have transport home or to a testing centre. Clean the area as per Public Health advice

All members will be encouraged to download the COVID safe App.

Premises name

Iluka Sports Ground

COVID Safety Plan Certificate: Sport and Recreation

Welcome.

Number:

300

We can accommodate patrons and agree to maintain the WA Government's safety measures
